

Bookham Village Masterplan

You are invited to comment on concept ideas for Bookham Village Centre.

To review the proposals, please refer to the hard copy of document Bookham Village Masterplan and share your thoughts.

Once completed, please leave your feedback form in the designated box. The feedback will be forwarded to the consultants.

The masterplan study focuses on the High Street and village centre, including Lower Shott, as well as key locations in the wider area. The study scope includes considering ideas for: improving streets and public spaces, encouraging walking and cycling, and redeveloping or enhancing allocated sites.
