Dear Sir,

Location Land between 2 and 4 Mead Crescent, Bookham, KT23 3DU
Development Nomination to have the land between 2 and 4 Great Bookham
as an Asset of Community Value under the Assets of
Community Value (England) Regulations 2012
Planning Ref MO/2020/1244

Dear Sirs,

The Bookhams Residents Association strongly supports this nomination. This land has been in community use since the whole area of the Garstons, Mead Crescent, Stone Hill Close and Vicarage Close was developed in the 1950s as a large estate.

The land provides a pathway into the Barn Hall Field used by many for recreation purposes. The access provided is essential for Bookham Village Day which some hundreds of Bookham villagers attend. Without access this significant annual event cannot proceed as this small parcel of land represents one of three essential safety exit routes demanded under H & S regulations. There is ample evidence from many residents that this access to the Barn Hall field has been in regular use since the whole of the Davies estate was built.

Yours faithfully,

N L Smith,
Chairman,
Planning Sub Committee.
