24th August 2020

Dear Sir,

Planning Application: MO/2020/1252
Location: Runmore Garage (Dagenham Motors) Guildford Road, Bookham,
Leatherhead, Surrey KT23 4HY
Description: Erection of a Single Storey Extension to North Elevation

The Bookham Residents Association wishes to raise concerns and objections to this application for further development for this site.

The previous occupants, Dagenham Motors, utilized Woodlands Road for the parking of their staff and customer cars causing many obstructions and near accidents on the dangerous bends. This application would be a suitable occasion to impose a Condition for “on-site parking only” to prevent the parking of customer and staff cars within Woodlands Road.

The extension to the showroom will deplete the on-site parking, exacerbating the parking situation.

Due to the envisaged severity of the parking problems on Woodlands Road this Association requests that this application is refused unless the above Condition is applied and maintained.

Yours faithfully

N L Smith
Chairman
Planning Sub Committee.

Cc Cllr Richard Moyse, Cllr Simon Edge, Cllr Metin Huseyin, Cllr Elizabeth Daly,
Cllr Roger Adams, Cllr Nancy Goodacre, SCC Cllr Clare Curran, MVDC Planning Department.
